STIPULATED ORDER

IT IS HEREBY STIPULATED AND AGREED, subject to the approval and order of the Court, that the deadline by which defendant General Electric Co. ("General Electric") must answer, move, or otherwise respond to the complaint in the above action is extended through and including July 30, 2008.

The reason for this request is that plaintiff and General Electric have reached an agreement in principle to settle their disputes, and they anticipate being in a position to finalize

the necessary paperwork and file a stipulation of dismissal by July 30, 2008. It is acknowledged that there already have been two prior extensions of this deadline for this purpose, and that the process of preparing a written agreement is taking longer than expected. However, no problems have arisen that have called the prospects for finalizing a written agreement into question, and with this additional time, it still is expected that a written agreement will be executed and a stipulation of dismissal will be filed.
